INHALER TREATMENT

Absolutely Free

WITH PAW-PAW.

Buzzing or ringing in the ears has broken down more nervous systems, auused more deafness and sent more people to the insane asylum than any other cause. These signs, however, are simply expressions of Catarrh. Cure the latarrh and there will be no buzzing, no unpleasant noises—there will be no dropping of mucus into the throat, lungs or stomach.

The Paw-Paw Durifies the blood and drives all Catarrhal poisons from the system. It cures Indigestion and nearly every form of Nervousness. The Inhaler reaches the sore spots, heals the raw places and goes right to the seat of disease. It sends clouds of medicated air to the air passages that are inflamed. It washes them. It soothes them and soon puts them in a healthy condition.

Nothing that has ever been discovered is doing so much for the cure of Catarrhal deafness as this treatment. To make my Catarrh treatment complete in every respect I am giving away my \$1.00 Inhaler, also a package of Paw-Paw Pills and a package of Catarrh Tablets with every bottle of Paw-Paw at I want people to take my Paw-Paw at
